Dear,

On behalf of the board of directors, it is my pleasure to welcome you to the membership of the Milwaukee Radio Amateurs' Club (MRAC). MRAC is one of the oldest amateur radio clubs in the world, having been incorporated in 1917 and affiliated with ARRL in 1919. Over the years MRAC has sponsored an ARRL national convention, acted as QSL manager for a Space Shuttle SAREX (Shuttle Amateur Radio Experiment) mission and conducted classes in all grades of amateur radio licenses. We currently meet on a monthly basis, own and operate a repeater, conduct roundtable nets on 10 and 2 meters, operate in an annual radio contest known as Field Day, and publish an almost monthly newsletter. We are one of 14 Volunteer Examiner Coordinators (VEC) in the US.

You have become a new member because of attending a club sponsored class and passing your test. Congratulations on that feat. We guess we helped you be successful. Since we are approaching the fifth month of the year, your membership extends through the year 2002. (Dues are due in January of each year, so your membership is up for renewal in January of 2003).

We would like to encourage you to attend our meetings and possibly volunteer in some club activity (but if not, that's OK too). We are printing new membership cards (should have them within the next few weeks) so we can not send you one now. If you have Internet access newsletters for about the last 1.5 years are available on our web site. A color, full size version of our recently published club history is available there too. If you wish paper copies of the newsletter, notify our database administrator Brian White, K9LCQ and you will be placed on the mailing list (if you did not list an email address on the form you will be automatically added to mailings). When we see you in person you can receive a booklet sized printed copy. New rosters should be available around June. Oh, and by the way, bring a friend to a meeting too.

73 and welcome,

David B. DeFebo WB9BWP
President

Matt Planning KB9PRC First Vice President
Brian White K9LCQ Second Vice President
Jim Tromblay WB9LNU Secretary
Les Hundt KB9QZQ Treasurer
